

Dear Members,

Greetings from Indian Ceramic Society, Karnataka Chapter!

On behalf of organizing committee, I cordially invite you for the 85th Annual Session of the Indian Ceramic Society and International Virtual Conference on "**Advances in Ceramics & Cement Technologies: Materials & Manufacturing**" (IvaCCT) during **13th-14th December, 2021** at PDA College of Engineering, Kalaburagi, Karnataka. This event will be in hybrid manner; - limited presence and virtual participation.

This is organized by the Indian Ceramic Society, Karnataka Chapter in association with Department of Ceramic & Cement Technology, HKE Society's PDA College of Engineering, Kalaburagi, Karnataka.

Kalaburagi (earlier known as Gulbarga) is about 600 km north of Bangalore and 230 km west of Hyderabad. PDACE was the first to start Bachelor's degree in Ceramics in South India under the leadership of Late Prof. M D Narasimhan (former Ceramic dept Head, BHU) in 1985.

Tentative program is as follows:

- AGM & Network dinner: 12th Dec evening
- Inaugural session & Award distribution: 13th Dec Morning
- Valedictory : 14th Afternoon/Evening

We invite you to attend this event also present a paper in the technical session.

Please encourage your colleagues/associates/students to participate and submit paper.

Last date is 30th Oct 2021.

For online abstract submission, please visit www.icskc.in

Updated **Brochure** is attached herewith.

With Best Regards,

Dr C D Madhusoodana
Conference Chair
For *Team IvaCCT*
