27-01-2023

Dear Members/Ceramists,

## Indian Ceramic Society - Karnataka Chapter (ICSKC) invites Nomination for Pavan Nagpal Memorial Award Lecture 2021.

It is in recognition of the accomplishments of individuals who have significantly contributed and actively involved in the field of Ceramic Science/Technology/Research or Innovative Product Development. The awardee will be invited to present technical lecture and will be felicitated in an event at Bangalore during February 2023.

The areas to be considered are contribution to Industry/and Academia, Contribution towards Indian Ceramic Society, Popularizing Science and Ceramics, New product development, Research and Development and Innovation etc.

The applications are invited through only nomination with following

(A) The members proposing should provide a one-page abstract about nominee's accomplishments in ceramic research and industry for which they should be considered for this award. Details like Awards, Achievements, Publications, Patent can be included.

(B) Personal details of the nominee:

1. Name affiliation and contact details of the nominee
2. Detailed Bio-data of the nominee including the professional work experience and field of interest.

Nomination may be submitted to [incerskc@gmail.com](mailto:incerskc@gmail.com)

Last date for receiving nominations: 10-02-2023

*Thanking you,*

*Yours faithfully,*
