

Webinar on "MBPL Gas Pipeline Network in Rajasthan:-Tremendous Investment Opportunities for Gas Based Industries" on 20th August, 2021 at 11:00 a.m.

PHD Chamber of Commerce and Industry (PHDCCI) have been working as a catalyst for the promotion of Indian industry, trade and entrepreneurship for the past 116 years. The Rajasthan State Chapter of PHDCCI is also actively working with industries in Rajasthan and also with different State Government departments for achieving its objectives.

As you may be aware a very robust natural gas pipeline infrastructure is under way in Rajasthan. In this regard, the strategic Mehsana-Bhatinda Pipeline Project (MBPL) is almost complete and likely to be commissioned by the end of this year. This pipeline measuring around 865 KM in Rajasthan is passing through more than 11 districts most of them close to DMIC. CGDs have also been appointed for many districts for supply of natural gas to industry and domestic use.

This would generate tremendous opportunities for gas based industries in the State and take the industrialization of the State to a different growth orbit.

In order to sensitize different stakeholders about the burgeoning opportunities associated with this accomplishment, a Webinar will be organized on "**MBPL Gas Pipeline Network in Rajasthan:- Tremendous Investment Opportunities for Gas Based Industries**" on **20th August, 2021 at 11:00 a.m.** Many eminent speakers would be sharing their vast knowledge & hands on experience on this subject.

You are requested to attend this important Webinar to know more about the pipeline network from the senior officials of City Gas Distribution Companies (CGD) & take advantage of the availability of natural gas in their existing & upcoming projects. In case you are looking for new investment in Rajasthan based on availability of natural gas especially in Glass, Ceramic, Food Processing, Chemical, Mineral sectors etc., it would be a very good opportunity to participate. If you have specific proposal in this regard please do let us know so that we can facilitate your connectivity with the State Government / RIICO & CGDs for their expeditious fructification.

Pre-registration is mandatory. Kindly register in advance on the enclosed link:
