

**INAUGURATION**

**OF**

**STUDENT CHAPTER, INDIAN CERAMIC SOCIETY**

**UGIE, ROURKELA, ODISHA**

**TECHNICAL SYMPOSIUM**

**“RECENT DEVELOPMENTS IN  
REFRACTORY TECHNOLOGY”**

**CHIEF GUEST**

**DR. PROFESSOR SITENDU MANDAL**

*Honorary Secretary, Incers  
Professor of Practice NIT, Jamshedpur*

**GUEST OF HONOURS**

**MR. BIRENDRA PRASAD**

*Vice president (Unit head)  
RHI Magnesita India Refractories Limited,  
Rajgangpur Works*

**MR. ASHOK AGARWAL**

*Chairman  
At  
Sarvesh Refractories Ltd*

**DR. PROF. SANTANU KUMAR BEHERA**

*HOD, Department of ceramic  
NIT, Rourkela*

**ER. SARAT KUMAR MUDULI**

*Principal  
UGIE, Rourkela*

**VENUE:-UGIE, AUDITORIUM**

**DATE -: 15th MAY 2026**

**TIME:- 9.30AM ONWARDS**

# EVENT SCHEDULE

<i>8:00am</i>	Registration
<i>9:00 am</i>	Tea
<i>9:30 am</i>	Invocation & Lighting of Ceremonial Lamp
<i>9:45 am</i>	Welcome Address
<i>10:00 am</i>	UGIE Anthem
<i>10:05 am</i>	Felicitation of the Guest
<i>10:30 am</i>	Address by:- Chief Guest & Guest of Honours
<i>11:15am</i>	Declaration of Opening of Chapter
<i>11:30 am</i>	Vote of Thanks
<i>11.45am</i>	Tea Break
<i>11:45 am</i>	Technical Session & Presentation
<i>1:30 pm</i>	Lunch
<i>2:30 pm</i>	Interaction Session by Alumni
<i>3:45 pm</i>	Tea Break
<i>4:00 pm</i>	Presentation by Alumni
<i>5:30 pm</i>	High Tea

# INTRODUCTION TO UGIE, ROURKELA

- Established in 1962 by the Government of Odisha under the Industries Department as “Composite Polytechnic, Rourkela,” the institute underwent several name changes before being renamed Utkalmani Gopabandhu Institute of Engineering (UGIE), Rourkela in 1976. Initially founded to meet the technical manpower needs of Rourkela Steel Plant and other state industries, it was the only institution in Eastern India offering Diploma courses in Chemical and Metallurgical Engineering. In 1995, UGIE added another milestone by introducing Ceramic Technology, the first of its kind in the region. Today, the institute offers AICTE-approved three-year Diploma programs across multiple engineering disciplines, mentioned below,

1	Ceramic Technology	60	-
2	Chemical Engineering	60	NBA Accredited
3	Civil Engineering	30	-
4	Electrical Engineering	60	-
5	Electronics & Telecommunication	30	-
6	Mechanical Engineering	90	NBA Accredited
7	Metallurgical Engineering	90	-
8	Mechatronics Engineering	30	Introduced in 2024
9	Computer Engineering & IoT	30	Introduced in 2024
10	Post Diploma in Industrial Safety	30	Self-Financing Course

## INTRODUCTION TO DEPARTMENT OF CERAMIC TECHNOLOGY

- The Ceramic Department started in the year 1995-96 at UGIE, Rourkela, with an intake capacity of 20.
- The strength increased to 30,40, and now the intake capacity is 60.

## RECRUITERS

- Almost all the students are engaged in the area of refractory technology.
- Reputed refractory producing companies like,
