

NATIONAL SEMINAR ON SUSTAINABLE GLASS AND CERAMIC MANUFACTURING: PATHWAYS TO A GREENER FUTURE

Organized by

Indian Ceramic Society, Kolkata Chapter

in association with

CSIR-CGCRI, Kolkata

19th – 20th February 2026

Meghnad Saha Auditorium, CSIR-CGCRI, Kolkata

About the Seminar

This National Seminar brings together industry leaders, researchers, academia, and policymakers to deliberate on sustainable solutions in the glass and ceramics sector. The program will feature invited talks, panel discussions, student presentations, and networking opportunities, creating a platform to shape the future of green and self-reliant manufacturing.

Themes & Subthemes

- Accelerated Innovations in Ceramics and Glass Research and Manufacturing through AI/ML
- Glass for Self-Reliant India: Contributions to Strategic Sectors
- Advanced Glass for a Sustainable Earth
- Refractory and allied materials
- Traditional Ceramics: Problems and Opportunities
- Advanced Ceramics: Problems and Opportunities
- Beneficiation of Ceramic Raw Materials

Highlights of the Seminar

- Listening to problems and opportunities from industry, research institutes, and academia
- Leadership talks by CXOs
- Sustainable solutions for a greener future
- Networking opportunities: Industry, Academia, Research connect
- Student presentations
- Panel discussions among industry leaders, academia and policymakers

Chief Guest

Saurabh Khedekar
CEO - Alumina Business,
Hindalco Industries Ltd

Guest of Honour

Dr. Jeetendra Sehgal
President - Business R&D,
Borosil Renewables Ltd

National Advisory Committee

- **Dr H. S. Maiti**, *Retd., CSIR-CGCRI*
- **Dr Goutam Banerjee**, *Retd., CSIR-CGCRI*
- **Prof. Dr Indranil Manna**, *BIT and Retd., CSIR-CGCRI*
- **Dr. Suman Kumari Mishra**, *Retd., CSIR-CGCRI, Kolkata*
- **Dr L.K. Sharma**, *Retd., CSIR-CGCRI*
- **Dr Atanu Ranjan Pal**, *Tata Steel Ltd*
- **Prof. (Dr.) Krishnendu Chakrabarty**, *GCECT*
- **Mr Pradeep Kheruka**, *Borosil Ltd*
- **Mr Sudipta Saha**, *Prism Johnson Ltd*
- **Mr. Jyotirmoy Bhattacharjee**, *RHI Magnesita India Ltd*
- **Mr Sunanda Sengupta**, *TRL Krosaki Refractories Ltd*
- **Mr S. Arasu**, *IFGL Refractories Ltd*
- **Mr A R Unnikrishnan**, *Saint-Gobain India Pvt Ltd*
- **Mr Pranab Baruah**, *Hindustan Platinum Pvt Ltd*

Organizing Core Committee

- **Dr. Sitendu Mandal**, *Chairman*
- **Mr. Diptendu Banerjee**, *Organizing Secretary*
- **Ms. Riya Ghosh**, *Treasurer*
- **Mr. Shankha Chatterjee**, *Member*
- **Dr. Atiar Rahaman Molla**, *Member*
- **Dr. Somnath Sinhamahapatra**, *Member*
- **Mr Jaydeep Bagchi**, *Member*
- **Mr. Gopal Debnath**, *Member*

Members of the Organizing Committee

Technical & Program Management

- **Dr Atiar Rahaman Molla** (*Convener*)
- **Dr Kaushik Biswas** (*Co Convener*)
- **Dr Anirban Dhar** (*Co Convener*)
- **Dr Barnasree Chanda** (*Co Convener*)
- **Dr Sucharita Manna**

Members of the Organizing Committee

Registration

- Dr Anal Tarafdar (*Convener*)
- Dr Jui Chakraborty (*Co Convener*)
- Mr Subhas Pal
- Mr Bikash Chakraborty

Accommodation & Transport

- Dr Prasanta Kumar Sinha (*Convener*)
- Dr. Tanmoy Basak (*Co Convener*)
- Dr. Ganesh Chandra Sahoo
- Mr. Smarajit Ghosh
- Mr. Chittabrata Chowdhury

Revenue Generation & Management

- Mr Debasish Majumdar (*Convener*)
- Mr Amitava Bhattacharya
- Mr Arindam Mukherjee

Social Media

- Dr Ambarish Sanyal (*Convener*)
- Mr Sukomal Mandal (*Co Convener*)

Reception, Dias and Hall Management

- Dr Saikat Deb Acharya (*Convener*)
- Mr Debjit Maiti (*Co Convener*)
- Mr Ananda Sundar Pal (*Co Convener*)
- Ms Piyali Chakraborty

Seminar Liasso

- Mr Suproakash Halder (COA)
- Ms Munmun Gupta
- Mr Bidhan Biswas
- Mr Subhas Chandra Biswas
- Mr Anubhav Mandal

Food & Refreshment

- Mr Swachchha Majumdar (*Convener*)
- Mr Gopal Debnath (*Co Convener*)
- Mr Alok Roy Chowdhury (*Co Convener*)

About the Organizers

Indian Ceramic Society (InCerS): A premier professional body fostering knowledge exchange, innovation, and growth in the field of ceramics and glass through conferences, publications, and industry-academia collaboration.

CSIR-CGCRI, Kolkata: The Central Glass and Ceramic Research Institute is a national leader in glass and ceramics research, contributing to cutting-edge technologies in energy, healthcare, electronics, defence, and sustainable manufacturing.
